LMG

16th ANNUAL CONFERENCE
**Leadership &
Management
in Geriatrics**

UNLOCK YOUR LEADERSHIP POTENTIAL

August 10 & 11, 2018

**Omni Los Angeles Hotel at
California Plaza
Los Angeles, California**

CALTCM.ORG/LMG

- **Unlock Your Leadership Potential**
- **Become a Competitive Leader in Geriatrics**

- **Lead Practice Improvement**
- **Become a sought after candidate for Leadership Positions**

This powerful two-day conference affords participants the opportunity to spend time in an intensive and highly interactive setting with leaders in the field of geriatric medical management. Participants are encouraged to think "outside of the box" and consider novel approaches to creating and managing geriatric clinics, practices, and services.

Participants will work in small collaborative groups with a faculty mentor to develop and implement an action plan for a worksite-specific quality improvement management/leadership challenge. CME and CE units are available to all participants, and additional credits are awarded to those who complete their post-course quality improvement project.

LMG offers up to 16 live continuing education credits (CME, BRN, NHAP and ABPLM), LMG is also approved for ABIM MOC credits. All attendees will have the opportunity to complete a post-course project offering up to an additional 8 credits.

LMG was developed in collaboration with the Geriatric Education Center at UCLA

The Leadership & Management in Geriatrics conference affords you the opportunity to:

Fulfill ACGME Practice Improvement Project Requirements.

Each participant prepares a pre-course assignment, which serves as a springboard for developing a full practice improvement project.

Effectively innovate and implement organizational change.

Course faculty/consultants provide expertise on creating change in your organizational setting.

Enjoy a low student to faculty ratio.

Not your typical CME conference - each participant receives close attention and tailored guidance from course faculty.

Join a nationwide network of leaders dedicated to improving geriatric care.

Network with a wide variety of professionals from around the nation committed to improving patient care quality.

Build a lasting relationship with expert faculty mentors.

Each participant is assigned a post-course faculty mentor to aid in the implementation of their practice improvement project.

Accreditation

20 Practice Assessment/Patient Safety MOC points towards American Board of Internal Medicine Maintenance of Certification
16 LIVE credits available for this course, an additional 8 credits available for attendees who complete the post-course assignment.

Please visit our website for complete details at caltcm.org/lmg
