Housekeeping

- We invite you to turn on your camera and unmute your line.
- To help keep background noise to a minimum, make sure you mute your microphone when you are not speaking.
- Don't talk over others.
- Close all other windows and apps, especially mail and messaging programs.
- Please use the chat feature and feel free to raise your hand when you have a question.
- Avoid multitasking and limit distractions.
- Review your name and make any necessary adjustments.

The image shows a Zoom meeting control bar at the top with icons for Unmute, Start Video, Participants (2), Share Screen, Chat, and More. Below the bar, a dark blue box contains the following text:

- Mute/Unmute:** This allows you to mute and unmute your microphone.
- Start/Stop Video:** This allows you to start and stop your own video. (The arrow up also lets you change your video settings to add a virtual background.)
- Participants:** This opens up the Participants window so you can see who is in the meeting.
- Chat:** Access the chat window to chat with the host, the other panelists or all attendees.

Adjusting your “View”

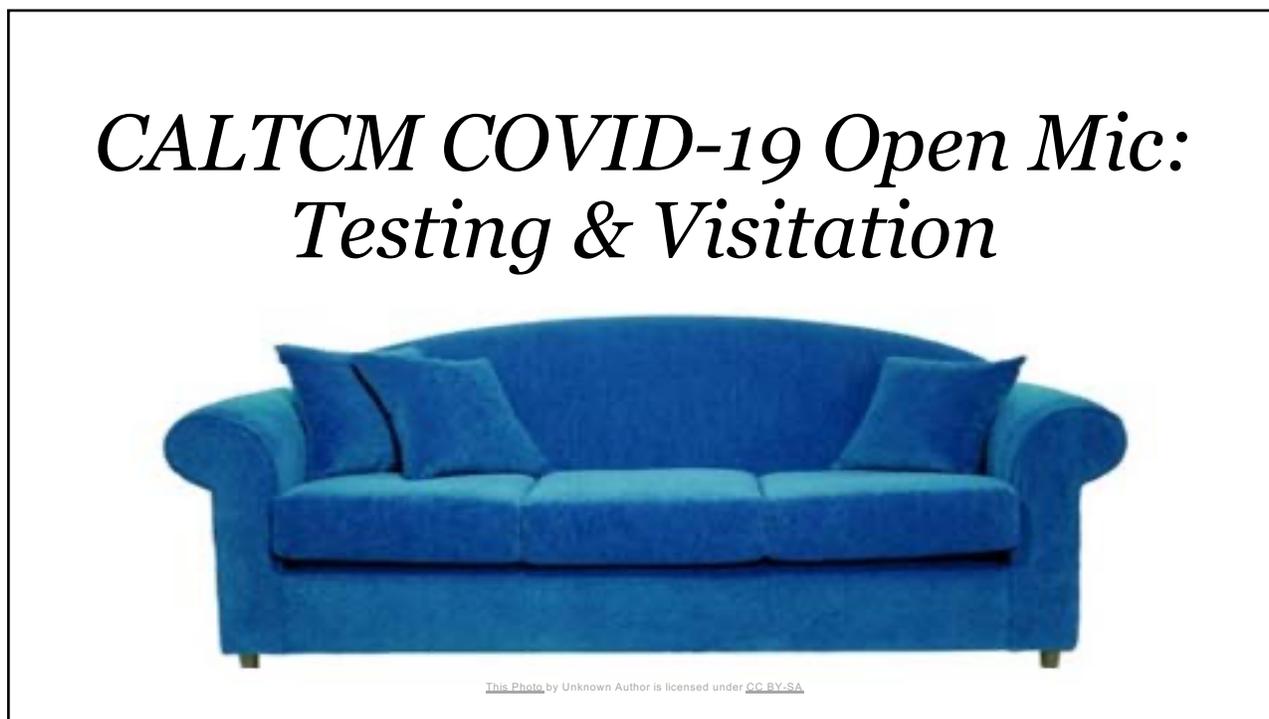

The image shows a Zoom meeting in gallery view. At the top right, there are two buttons: 'Speaker View' and 'Gallery View', with 'Gallery View' highlighted in red. The main area displays six placeholder icons for participants in a 2x3 grid. At the bottom, the Zoom control bar is visible with icons for Invite, Manage Participants, Polls, Share, Chat, Record, Closed Caption, and End Meeting.
